Inland Port
MS (Decoded) 96kHz / 24 Bit / BWAV
Microphone: Schoeps Mk4/Mk8

RecID	Filename	Description	Duration	Ch.
1	Port, Ambience, Distant, Container Terminal, Trucks, Cranes, Alarms, Metallic Booms, 800 ft.wav	Distant container terminal ambience with cranes, trucks and containers charging, 800 ft.	03:58	2
2	Port, Ambience, Distant, Container Terminal, Trucks, Cranes, Alarms, Metallic Booms, 1000 ft.wav	Distant container terminal ambience with cranes, trucks and containers charging, 1000 ft.	05:00	2
3	Port, Container Terminal, Ambience, Reach Stacker, Approach, Maneuver, Drop Container.wav	Reach stacker at the container terminal, approaching, maneuvering. Containers are being loaded on truck	04:27	2
4	Port, Container Terminal, Ambience, Reach Stacker, Truck, Alarms, Busy.wav	Truck and reach stacker at the container terminal. Containers are being loaded on truck, alarms, busy	04:24	2
5	Port, Container Terminal, Ambience, Reach Stacker, Truck, Alarms, Workers, Busy.wav	Truck and reach stacker at the container terminal. Containers are being loaded on truck, alarms, busy	04:52	2
6	Port, Container Terminal, Ambience, Reach Stacker, Truck, Approach, Maneuver, Drop Container, Distant Alarms.wav	Truck and reach stacker approaching, maneuvering. Containers are being loaded on truck	03:32	2
7	Port, Container Terminal, Ambience, Trucks, Cranes, Alarm.wav	Container terminal ambience with gantry crane, trucks, containers and alarms	03:02	2
8	Port, Container Terminal, Container Crane, Alarm, Alternating, Close.wav	Alternating alarm of container crane, close	00:11	2
9	Port, Container Terminal, Container Crane, Alarm, Sawtooth, Close.wav	Sawtooth alarm of container crane	00:11	2
10	Port, Container Terminal, Container Crane, Alarm, Trolley Movement, Lower Spreader, Drop Container 01.wav	Container crane, movement of the trolley, spreader is lowered, container is dropped. Alternating alarm	00:45	2
11	Port, Container Terminal, Container Crane, Alarm, Trolley Movement, Lower Spreader, Drop Container 02.wav	Container crane, movement of the trolley, spreader is lowered, container is dropped in distance. Alternating alarm	00:28	2
12	Port, Container Terminal, Container Crane, Approach, Alarm.wav	Container crane approaches with alarm and stops in front of the microphone. Alternating alarm	00:47	2
13	Port, Container Terminal, Container Crane, Back and Forth Movement, Alarm, Lower Spreader.wav	Back and forth movement of the container crane with alarm, spreader is lowered. Alternating alarm	01:42	2
14	Port, Container Terminal, Container Crane, Drop Container, Metallic Impact, Alarm.wav	Sawtooth alarm of container crane, container is dropped, metallic impact	00:56	2

Inland Port
MS (Decoded) 96kHz / 24 Bit / BWAV
Microphone: Schoeps Mk4/Mk8

15	Port, Container Terminal, Container Crane, Frame Movement, Lock Container.wav	Container Crane, movement of the frame, container is locked. Distant sawtooth alarm	01:41	2
16	Port, Container Terminal, Container Crane, Idle, Drop Container, Impact.wav	Container crane, container is dropped, metallic Impact	00:17	2
17	Port, Container Terminal, Container Crane, Idle, Lift Container, Frame Movement, Drop Container, Impact.wav	Container is lifted, movement of the container crane, container is dropped, metallic impact. Sawtooth alarm	01:45	2
18	Port, Container Terminal, Container Crane, Lift Spreader, Clatter.wav	Spreader of container crane is lifted. Metallic clatter in the background	00:31	2
19	Port, Container Terminal, Container Crane, Lift Spreader, Frame Movement, Alarm, Drop Container.wav	Spreader is lifted, movement of the container crane with sawtooth alarm	01:08	2
20	Port, Container Terminal, Container Crane, Lift Spreader, Frame Movement, Alarm.wav	Movement of the container crane, drop container with distant metallic impact. Alternating alarm	00:39	2
21	Port, Container Terminal, Container Crane, Lift Spreader, Passing, Alarm.wav	Lift spreader, pass by of the container crane with alternating alarm	01:07	2
22	Port, Container Terminal, Container Crane, Lift Spreader, Walkie-Talkie, Truck.wav	Spreader of container crane is lifted, walkie-talkie, trucks in the background	01:02	2
23	Port, Container Terminal, Container Crane, Loading, Cargo Ship, Ship to Shore, Alarm, Perspective 01.wav	Load intermodal containers from container ships. Huge metal impact, alarm. Perspective 1	04:46	2
24	Port, Container Terminal, Container Crane, Loading, Cargo Ship, Ship to Shore, Alarm, Perspective 02.wav	Load intermodal containers from container ships. Huge metal impact, alarm. Perspective 2	04:42	2
25	Port, Container Terminal, Container Crane, Lower Spreader, Alarm, Frame Movement, Drop Container, Impact.wav	Spreader of container crane is lowered, movement of the crane with sawtooth alarm, container is dropped	01:06	2
26	Port, Container Terminal, Container Crane, Lower Spreader, Drop Container, Alarm.wav	Spreader of container crane is lowered, container is dropped in distance. Alternating alarm	00:25	2
27	Port, Container Terminal, Container Crane, Lower Spreader, Drop Container, Impact.wav	Spreader of container crane is lowered, container is dropped, metallic impact	00:42	2
28	Port, Container Terminal, Container Crane, Passing, Alarm, Idle.wav	Pass by of the container crane with alternating alarm, idle	00:20	2
29	Port, Container Terminal, Container Crane, Passing, Alarm.wav	Pass by of the container crane with alternating alarm	00:31	2
30	Port, Container Terminal, Container Crane, Passing.wav	Pass by of the container crane with alternating alarm	00:27	2

Inland Port
MS (Decoded) 96kHz / 24 Bit / BWAV
Microphone: Schoeps Mk4/Mk8

31	Port, Container Terminal, Container Crane, Trolley Movement, Drop Container.wav	Short movement of the container crane with alternating alarm. Container is dropped	00:13	2
32	Port, Container Terminal, Container Cranes Ambience, Alarms, Movements, Trucks.wav	Movements and alarms of various cranes, trucks in the background	04:21	2
33	Port, Container Terminal, Straddle Carrier, Large Metallic Booms, Long Reverberation.wav	Containers are being moved and set onto the ground by straddle carrier, followed by large metallic booms, reverberant	04:11	2
34	Port, Container Terminal, Truck Court, Gateway, Trucks and Reach Stacker Passing, Wet Asphalt.wav	Gateway to a container terminal, truck and reach stacker pass by slowly	04:41	2
35	Port, Container Terminal, Truck Court, General Ambience, Trucks, Engine Idle, Truck Passing, Wet Asphalt.wav	General ambience of a truck court at a container terminal, hammering, engine idle, truck passing, engine start, wet	04:49	2
36	Port, Container Terminal, Truck Court, Trucks, Load Containers, Distant Cranes.wav	Calm ambience of a truck court at a container terminal. Engine idle, containers charging, alarms in the background	04:13	2
37	Port, Container Terminal, Trucks, Passing, Speed Bumper, Clatter.wav	Trucks are slowly rattling over speed bumper, with loud bumps and rattles, trucks slow down and speed up again	04:45	2
38	Port, Railroad Yard, Cargo Train, Passing, Rattle, Squeal, Slow, Close.wav	Cargo train passing slowly with rattle and squealing tracks	03:11	2
39	Port, Railroad Yard, Cargo Train, Tank Car, Passing, Idle, Shunting, Squeal, Slow, Close.wav	Tank car shunting. Slow roll by of rolling stock. Grinding, rumbling and clacking	04:20	2
40	Port, Shipyard, Ambience, Hammering, Grinding, Distant.wav	Shipyard atmosphere with hammering and grinding. Distant ambience	06:03	2
41	Port, Shipyard, Ambience, Pressure Washing, Close.wav	Removing dirt from a ship with high-pressure water spray. Close	02:13	2
42	Port, Shipyard, Ambience, Pressure Washing, Hammering, Distant.wav	Removing dirt from a ship with high-pressure water spray. Distant ambience	04:38	2
